

Open Options Warranty Statement

Open Options' products are warranted against defect in materials and workmanship for one year from the date of shipment. Open Options will repair products that prove defective and are returned to Open Options within the warranty period with shipping prepaid. The warranty of Open Options products shall not apply to defects resulting from misuse, accident, alteration, neglect, improper installation, unauthorized repair, or acts of God. Open Options shall have the right of final determination as to the existence and cause of the defect. No other warranty, written or oral is expressed or implied.

Limited Software Warranty

All Open Options software carries an initial warranty for 90 days from ship date. This warranty is extended to the standard one year warranty provided software registration is completed within this initial period.

Additional software warranties beyond the extended warranty can be purchased from Open Options through the dealer of record.
